

AIRPORT FINALLY ASSURED; WORK TO START IN MARCH

Drayton Valley will soon be the site of an airport with a 5,000-foot runway, according to Industrial Co-ordinator of the Airport Committee, Mr. Donald Vanstone.

Construction on the 320-acre site one-half mile south of Rocky Rapids is expected to begin in early March.

The result of the two-year effort that has gone into the airport proposal is a facility that embodies all the general ideas of the original plan. The overall cost is now estimated at \$160,000, shared by the various government bodies involved. The Provincial Government contributes about \$40,000; the federal government about \$60,000; the County of Parkland \$30,000; the town of Drayton Valley \$20,000; and miscellaneous contributions of \$10,000.

The idea started in the spring of 1970 and has been in the making ever since. It was found at that time that a 5,000-foot runway would be needed to handle World War II bombers which could be converted easily into water bombers. The biggest problem was finding a piece of land that size that had no pipelines.

Once the land was located near the Drayton Valley Golf Course, council was approached with an estimate of \$400,000 for the fa-

cility.

Applications for funds which are available for such purposes through the governments were made--the main grant coming from the federal Ministry of Transport.

In order to obtain consideration for the grant, a complete economic survey of the Drayton Valley trading area had to be made by the federal government. The survey would show whether or not the expenses would be justified in terms of business the area could handle.

Two economists from the Treasury Board in Ottawa made their survey of the area with the prime interest being, of course, aircraft movement. However, due to problems in the Treasury Board and policy changes in the federal government, the Treasury Board recommendations were not actually presented until November of 1971. Finally, the government offered \$37,300 if plans for the airport proceeded immediately.

Meanwhile, arrangements had been made with the County of Parkland to use its equipment at no expense to the town -- as long as the work was done when the County was not in need of the machines. Thus, work will have to begin immediately if the County equipment is to be used.

The County felt that such an airport would benefit Parkland development in the western section.

The provincial government had also offered to assist by buying land. It is assumed such an offer was made to coincide with the new government's decentralization of industry platform as well as its tourist promotion policies.

By mid-December of 1971, the Airport Committee had the assistance of the County as well as the indicated willingness of the Conservative government to purchase the property. On January 3, 1972, the order was passed to authorize the expenditure of \$40,000 by the Alberta government.

When the federal government realized the support the town was receiving, it, in effect, told the committee to apply for another \$12,000 grant from the ministry which would up the federal grant to over \$50,000. This second grant has not as yet been approved, according to Mr. Vanstone.

Priorities for construction on the site are graveling and brushing. Once these are completed, the actual runway can be started. Hangars will be the responsibility of those who lease the hangar lots, but no decision has been made concerning the terminal building.

Housing Proposal Studied by Council

Town Council, at its regular meeting Thursday, approved in principle a proposal to develop thirty acres of the H. Deby farm property on Drayton Valley's south west slope.

Mr. Len Hogarth, who appeared on behalf of the developers, Valley Park Projects Ltd., said the 1/4 million dollar development was expected to be phased over a three or four year period depending on demand, with the first block of 16 lots to be ready for spring construction.

One hundred lots, ranging in size from 60x120 to 80x120, complete the development. The 16 earmarked for initial development are located on the upper slope of the hill adjoining the new senior citizen's home.

An 80 foot arterial road will collect traffic from the West Valley Mobile Home area and the new sub-division, curving out to 50th Street. The development will be intersected with 60 and 50 foot roads.

Council members, in discussion with Mr. Hogarth, emphasized a desire for some larger lots being available throughout the development and the new zoning re-

quirement setting minimum length at 120 feet. All council requests were agreeable to the company, Mr. Hogarth said, and the Town Engineer requested to work with the developer in obtaining required depth of lots except in cases of unusual shapes occasioned by the sub-division layout.

Retail Group Names Officers

A new slate of officers was elected at the February 25 meeting of the Retail Merchants Association in the Cardium Room.

Officers for the 1972 term are: Chairman, Adam Eckert, replacing Jack Pickett; Secretary Ray Brousseau replacing Alex Zubot; Promotion Committee members are Elsie Kazoleas, Nancy Jacobs, Mary Schuman, and Frankie Smith; Membership Committee includes Chairman Otto Nickel, Gunther Schmidt, Alex Zubot, Roy Petrisoi, and Marion Palmer.

New members are always welcome.

Drayton Gymnasts Win at Ponoka

Seven gymnasts from the Drayton Valley Gymnastic Club participated in the Ponoka Gymnastic Meet February 20, bringing home a medal and seven ribbons.

Debbie Daviduk, Bev Wasyk, Darlene Harrison, Audrey Schmidt, Denise Cawthorne, Lois Paterson, and Brenda Moody represented Drayton Valley in the Tyro 12 - 14 and Argo 10 - 12 age groups.

Debbie Daviduk placed second in the balance beam, second on the uneven bars, fourth in the free exercises. As a result of her high scoring in three out of four events, Debbie received a second-place medal for all-

round gymnast.

Bev Wasyk took a third in the balance beam and fourth in vaulting; Audrey Schmidt placed sixth in vaulting; and Marlene Daviduk placed fourth in the balance beam.

These girls represent only a few of the over 100 who take gymnastics at the school week nights. Although the club is only in its second year, the girls showed that they are ready for competition. But they can't compete unless they are there, so the club is asking the assistance of parents in driving competitors to the events.

Twenty-two Acts Compete In Search for Talent

Some twenty-two acts involving over thirty participants competed for the trophies in the 25th Annual Search for Talent program, February 26 in St. Anthony's Separate School.

M.C., Bobo Lang, singer Linda Harhema, guitarist and singer Louis Marianych, and pianist Alice Wanan got the program underway before an audience of over two hundred and fifty.

"Search for Talent -- a search for artists who have talents which can be developed" said Bob Lang. "This program gives these latent artists the opportunity to be heard, the opportunity to be listened to, and the opportunity to prove themselves in their own way."

way."

Four divisions could be competed for by the entries -- Junior, Fireside, Sunwapta and Showmanship, with Edmonton adjudicator Shirlee White and Marnie Robertson.

Competitors were marked on their choice of selections, stage deportment and personality, expression in the piece, knowledge of the material, and their ability to get the audience to respond.

First prize trophy, donated by Harmony Kids, in the Junior Division went to 12-year-old April Krueger of Drayton Valley with her baton-twirling performance. Second was won by Ruth Thachyk, an 11-year-old pianist from Evansburg. Honorary mention was awarded to Pat Liveniuk of Seba Beach for her "Good Friends" solo.

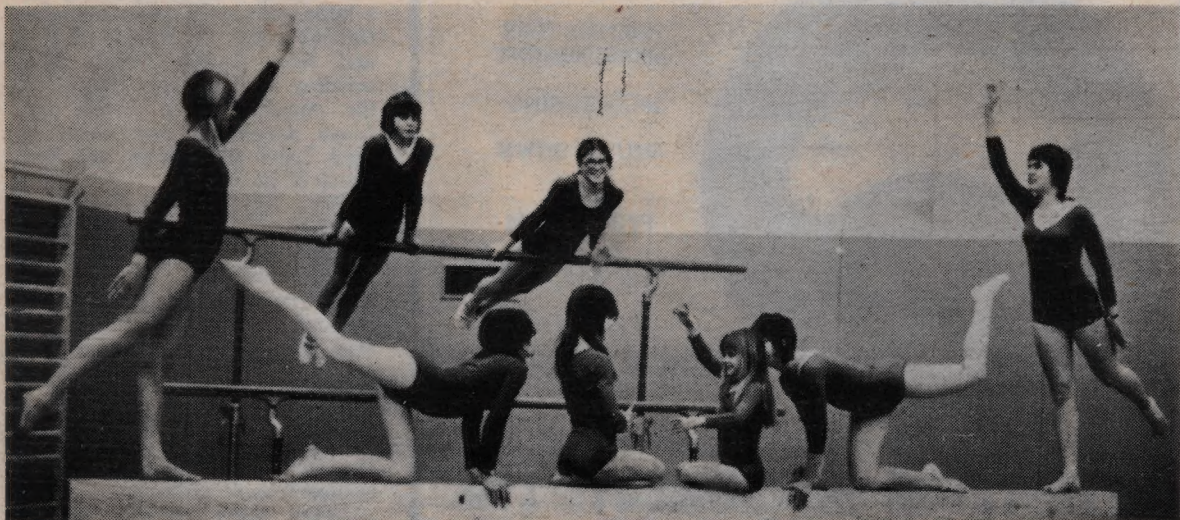

Other competitors in junior division were Ricky Kulhaw of Seba Beach, who sang "Wooden Heart"; Carrie Siguson, Drayton Valley, played "Alpine Poka" on her accordion; Pat Liveniuk and her group of six from Seba Beach sang "Chirpee Chirpee Cheep Cheep"; Grace Marie Dahl, Drayton Valley, played "Little Brown Jug" on her accordion; and Shannon Wandler of Drayton Valley played an organ rendition of "Somewhere My Love".

Hazel Breitkreuz of Wetaski-

win, the only competitor in the Sunwapta Division, won the CFRN trophy with a piano solo of "Military Polonaise".

Trophies in the Fireside Division were donated by Canadian Safeway. Donna Browne of Ma-Me-O Beach won first place trophy with a solo of "Hawaiian Wedding Song". Adjudicator Mrs.

Fire Damages Oil Battery

Extensive damage was done to Provident Pembina Battery #1 of the Provident Resources Management Ltd. when fire struck the area February 22nd.

Some six volunteer firemen from Drayton Valley battled the blaze from 11:30 a.m. to 1:30 p.m. at the site one mile west of Violet Grove, according to Fire Chief Elmer Madson.

Cause of the fire unknown.

Robertson felt that Donna's clear, expression, and well-trained voice made her performance outstanding. Merle Darstling on guitar and singing "There Goes My Everything" placed second.

Other performers in the Fire-side Division were Robin Rozzo of Gainford and Marilyn Oskralda of Wildwood. A special guest appearance was made by Fred Hunt of Drayton Valley, who makes annual appearances on the show to give recitations of some of his tongue-twisting poems.

Showmanship Division was won by Graham Smith of Drayton Valley for his clarinet performance of "To a Wild Rose". Merle Darstling and Shirley Meade of Breton placed second for their country and western duet; and honorable mention went to Paul Bradley's Junior High Dancers (group of 10) for their modern dance rendition of "Maxwell's Silver Hammer". All trophies in the Showmanship Division were donated by Northwestern Utilities, Ltd.

Brenda Krueger and Paul Bradley, Pat Smith, Merle Darstling and Debbie Voorbe, and Audrey Schmidt also competed for Showmanship.

Both adjudicators felt the program had good variation and the calibre of the performances was high.

Entertainment was also provided throughout the evening by ACT performers. During intermission, the program prize draw was made, with Charlotte Durham of Drayton Valley winning the steak knife and fork set. The Early Bird Sweepstakes draw for \$50 went to J. Reichel of Edmonton.

Mayor MacLean felt that the work the ACT were doing toward keeping crippled children was one of the highest ideals of man. He felt that, because of this assistance, these crippled children would have a future with a good life instead of a mere existence.

He encouraged the audience to support the ACT in their endeavors toward Camp He-Ho-Ha.

ACT members looking after the evening program included Harry Demchuk, captain; Ron Stroud, co-captain; Scotty Tate, Steve Brezanski, Harry Zimmer, Denis Birmingham, Frank Jackson, Larry Demchuk and Andy Demchuk all of Edmonton.

Claude Gould, (L) Assistant Regional Commissioner of the Scout Association, presents service awards to members of the Drayton Valley organization at last week's father and son banquet. Award winners, from the left, are Charlie Miner, five years; Keith Mundle, five years; and Al Horne, ten years.

Cubs and Scouts Annual Banquet

The Cub and Scout father and son banquet was held in the Elks Hall on Monday, February 21 with a very good attendance.

Presentation of awards was a highlight of the evening with Scout Commissioner Claude Gould of Whitecourt presenting a 10-year award to Mr. Al Horne and 5-year pins to Charlie Miner and Keith Mundle.

Service awards were also presented to members of the Group Committee, which included Reg Knapp, Grant Kenworthy, Lloyd Imrie, Gene Harris, Ron Howatt, Ross McLeod, Ann Kelse, Angela Halusak, Bob Edwards, Neil White, and Mrs. Neil White.

Mrs. Peggy Tyler also presented tokens of appreciation to leaders, including Keith Mundle, Allan Horne, Charlie Miner, Joseph Vowk, Norman Astley, D. Duperon, Edward Dymytryshyn, John Suffron, Ward Gross, Robert Braybook, Norman Westlund, and Ed Rosentreter.

Members of the Group Committee introduced at the supper were Joe Vowk, Vice-President; Mrs. Delia Duperon, Secretary; Mrs. Jeanne Westlund, Treasurer; Ernie Gill, Finance; Sig Moltzan, Camping and equipment; Ken Ben, Transportation; Mrs. Beryle Mundle, Publicity; and Bob Braybook, Badges.

Master of Ceremonies Bruce Boles introduced the head table and called on R.B. Smith, Deputy Mayor, for a few words on

behalf of the town and President Dan Baines for the Rotary Club. Rev. Bert McQuaid asked the blessing and all enjoyed a meal of fried chicken prepared and served by the Elks and Royal Purple.

Two interesting guests were Dr. David Belcher and John Levesque of Red Deer.

Dr. Belcher, who returned from Africa in mid-January, told of his work in a mission hospital in Uganda. He also showed a very interesting collection of slides that graphically portrayed life and the people in the communities served by the hospital. Several wildlife pictures were included.

Dr. Belcher left the boys with an inspiring message of mission work in developing countries. There is a great need, he said, for young people prepared to dedicate themselves to improving the life of people in unfortunate circumstances.

Mr. Levesque, a former scout leader in the Red Deer area, showed slides of a very interesting trip by a group of scouts to Pinto Lake in White Goat Wilderness Park west of Rocky Mountain House.

The boys and their leaders hiked up and down 37 miles of mountain trails and forded streams with all their supplies on their backs to spend a week at the lake.

Others who took part in the program were Cubs Kevin Mundle and Bill Howe, pianists; Scouts Greg Westland and Keith Morrill, toasts to the Queen and father, respectively; and replied to by Group Committee Vice-President Joe Vowk.

Moon Lake News

A social and presentation of a lamp was held in the Community Hall February 12, in honor of Mr. and Mrs. Bernie Town's 25th wedding anniversary. Home for the occasion were Leona and Lloyd Riedlinger and family of Cold Lake and Donna and Rod Block of Swan Hills.

Mrs. Fay Pashko of Spruce Grove had a baby girl, another granddaughter for Barbara and Albert Schenk.

Congratulations to Mrs. Donna Regamey, daughter of Mr. and Mrs. Stan Wolaszyn, of Wabamun, on her win of the \$291 Jackpot at the bingo there recently.

Mr. and Mrs. Leo Jensen spent the past weekend at Jasper while Mr. and Mrs. Fred Cherrington visited friends at Devon.

Laura Tufty is now out of hospital after a lengthy stay there.

Get well wishes to Mrs. Banks Sr. who is in an Edmonton hospital.

Band Members to Attend Workshop

Several members of the Drayton Valley Community Band, led by Mr. A. Pierce, have been invited to attend the Ninth Annual Band Weekend March 24, 25, and 26 in Calgary.

The workshop will be held in the Henry Wise Wood High School with an expected 300 musicians from all over Alberta attending. Band members will be placed into six different bands, according to individual mastering of their instruments.

Classes with qualified band instructors will be held Friday evening, all day Saturday, and Sunday morning. Finale will be a concert including each class of musicians.

The Drayton Valley band is now in its second year, and boasts only a small membership of about 20. First concert this year will be March 10 at Tomahawk. Any persons wishing to join the band are asked to attend practices Monday evenings at 7:00 p.m. in the new high school.

The Battle of The Bottle

A man who may one day be President of the United States was at one time an alcoholic. He is one of millions of Americans who have recovered from the disease, the country's number three health problem and killer after heart disease and cancer.

Iowa Senator Harold Hughes, a dark horse for the Democratic Presidential nomination, doesn't hesitate to talk about his battle with alcoholism. Along with other

prominent people who have suffered from alcoholism -- New Jersey Senator Harrison Williams, actress Mercedes McCambridge, television star Robert Young and singer Gary Crosby -- Hughes is speaking up and helping to remove alcoholism from its anonymity.

Alcoholism afflicts an estimated nine million Americans. 130-million others, friends, family and business associates of the alcoholic, are affected by the

disease too.

Despite the staggering numbers and the dangers involved to both the alcoholic and society at large, until now, alcoholism has been a disease in the shadows, an anonymous ailment that gave rise to an association of unnamed sufferers.

Its anonymity stemmed from the fact that alcoholism, although a disease, was a disease of a different sort. While the alcoholic can no more control his need for alcohol than a diabetic can control his craving for sweets, he does, in fact, administer his own deadly poison. What was not, and to an alarming extent is still not understood, is that the alcoholic cannot help but drink. He is an addict, and his addiction must be fed.

The general attitude towards the alcoholic has been one of revulsion and disgust, the thought being that he could cure himself with just a bit of "will power." That is no more true for the alcoholic than for the chronic heart patient. The onset of alcoholism may be traced to emotional problems, but once the disease has taken hold, the patient cannot cure himself. Professional help is needed.

Needed, too, is concern . . . -- 33 per cent of alcoholic deaths are violent -- by fire, poisoning, suicide, accidents, and falls.

-- 33 per cent of those who take their own lives are alcoholics. Their suicide rate is 58 times that of non-alcoholics.

-- Alcohol is cited as the root of one-half of all fatal automobile accidents, causing more than 25,000 deaths each year. Of those accidents, 50 per cent involve an alcoholic.

-- One in every 13 employees is an alcoholic, causing industry losses computed at six-billion dollars a year.

The winds of change are helping to sweep away the forlorn attitude that there is no hope, the erroneous belief that the alcoholic can cure himself if he would just "put his mind to it." The alcoholic is very often the last to see the deterioration caused by his disease. Once he does recognize it, it is almost impossible to fight alone. But as with any problem, before you can solve it you have to know it's there.

Report From Parliament Hill

By Allen Sulatycky, M.P.

After receiving an invitation conveyed by the Gentleman Usher of the Black Rod, members of the House of Commons made the traditional journey to the Senate Chamber to hear the opening speech from the Throne, the fourth session of the 28th Parliament of Canada.

As has been customary, this Speech from the Throne gave a short evaluation of Canada's place in the world, and to the intent ears of members of the press and Opposition, a general outline of the legislative items the government plans to introduce in the coming months.

Of course, also as is customary, the outline presented is general enough to keep people guessing as to the specifics until the actual bills are introduced.

Even acknowledging this however, portions of the text of the speech pointed to certain programs of special interest to constituents of Rocky Mountain.

One paragraph read, "Policies designed to promote a related, yet distinct sector of the economy -- tourism, will be revealed in coming weeks."

Notice of the government's intention to expand the system of national parks to include the northland was given. "You will be asked to approve legislation which will create three new parks north of the 60th parallel, each as large and spectacular as any in the world. These three parks, plus the seven new parks created since 1968, mean that for the first time in our history every province and territory will include within it a national park for the benefit of our people."

Companion legislation is planned to provide wildlife habitats and to protect certain endangered wildlife species.

One of the other very definite proposals in the speech was the endowing of a corporation known as "Heritage Canada", which in the words of the Governor-General, "will go far to insure the preservation of items and collections from Canada's past and to make these accessible for the enjoyment and understanding of Canadians in all parts of the country. Heritage Canada, complemented by the broadened National Museums policy, will demonstrate the achievements of our forefathers and their success in overcoming physical isolation and in converting dreams into reality."

Promised in the speech are new measures to combat unemployment and otherwise help the economy maintain its present rate of growth and improvement.

A continued active interest in the search for peace through the world was promised. No doubt, an air of encouragement has prevailed since the apparently successful attempts of the present government abroad, to initiate new communication with countries previously thought of as "unfriendly".

With the Speech from the Throne over, now begins in earnest what many observers believe will be the last session of the 28th Parliament.

LETTERS

TO THE EDITOR

The Editor,
The Western Review,
Dear Sir:

The never-ending struggle to survive, seems to be the way of life for many people throughout Canada. No longer do the underprivileged people of Canada vote a party into office with true faith in that party. For many it is just a game of chance, yet with hopes that the party they have chosen will be able to take up the leadership, in all honesty and fairness, giving to each Canadian the opportunities they so deserve.

The people have come to realize that there are few men, whether they have held office, or at the present time are in office or those seeking office, who are capable of putting Canada back on its feet.

The over-all living conditions in Canada are at its worst. It is hard for the underprivileged to believe or even to accept the fact since Canada is looked upon as being one of the richest nations on this earth. With this in mind it is hard to believe that the government, no matter what party has failed to improve the housing problems, employment, income opportunities both for the farmer and every day working man, to combat disease and ill health, to reduce incidence of crime in Canada and to help those who have retired, so they too can enjoy the last remaining years with dignity.

These problems are to name but a few. What I keep asking myself over and over again is, have the great majority of Politicians in the country lost the will to act with sustained determination? So much so as to instill in the people of Canada once again love for their country, hope, faith, respect, reassurance, and above all the will to live. I ask myself also, can any member from any party in Canada point a finger of guilt at the other? Not really is the only answer I get. When one considers the fact that each party has had the chance to prove itself in government. For the past fifteen years or so, cit-

izens of this country have noticed that Canada is going down hill with little if any improvements in sight.

Politicians throughout Canada will be telling us what they shall do, where, when and how they shall improve the overall living conditions in Canada.

Time and again most politicians in the past, have given the people of Canada false hopes, leading the people astray with their fancy promises.

Soon these people will be going strong through-out Canada with their campaigning asking, will you give us your vote?

It's high time that the people voted into government office realize, they can no longer isolate or put into a vacuum the problems of this country, thinking these problems will solve themselves.

If these same people could only take a few moments of their time and take a good look at the history of this country, they will find that our forefathers who had worked so hard, had long-range goals with hopes that the land they had come to accept as their home, would be a land of equal opportunities for the people then, and for those in the years to come.

For many people in Canada, this country is a haven for the rich man, and a hell hole for the underprivileged. Is it any wonder the have-nots become hostile. The days when one was expected to turn the other cheek are gone.

Let us hope and pray that with the help of God, that these people who seek office can begin to realize that their job is to start providing not only the means but the vision to inspire the poor that there is hope and opportunity that there is purpose in life, rather than unsolvable problems and hopelessness which seems to tear at the minds and souls and bodies of so many Canadians.

Must there be tears in the eyes of these people who have so little, when asking is there really any hope left.

Duncan L. Mills,
Drayton Valley.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (of the Calgary Herald)

The Conservative victory in the Stettler by-election amounted to a solid vote of confidence in Premier Peter Lougheed's 5-month-old government.

It also dashed Social Credit hopes for a quick comeback in Alberta politics, and proved that the Opposition party still hasn't recovered from the drubbing it took at the polls last August.

It is risky to say that Tory Graham Harle's 600-vote victory over Socred Galen Norris has province-wide implications, however.

The Conservative win is of immense propaganda value to the new government, as are most by-election successes. And it does little to make the Socreds happy about their future.

But the result is actually little more than a sampling of voter opinion in one of seventy-five provincial ridings on one day. In fact, the Lougheed government has yet to face the Opposition in the Legislature or make much more than a start on its ambitious election platform's implementation.

The official results in the Stettler by-election showed further

slippage in Socred fortunes. When Jack Robertson beat the same Mr. Norris in 1971, the victory margin was only 300 votes. This time, Mr. Norris lost by more than twice that many.

The result of the by-election doesn't change a thing in the Alberta Legislature. The Tories have 49 members, the Socreds 25 and the New Democrats 1.

One aspect of the Stettler vote which pleases the Tories most is Mr. Harle's strong showing in the towns where Mr. Lougheed had great difficulty persuading voters to switch from Social Credit in 1971.

The quiet-spoken lawyer, who has an extensive background in agriculture, captured three of the four Stettler town polls, an improvement over Mr. Robertson's showing last summer. In addition, Mr. Harle also improved the Tory popularity in Castor, although he didn't take the town.

There could be an interesting parallel developing between the Socred and Tory eras here. After the 1935 Socred sweep, the new government worked hard to woo mainstream support and become popular with business men in small towns. Today, Premier Lougheed is attempting to do the same thing.

The Stettler by-election has kept alive the riding's tradition of electing government MLAs. Voters in the prosperous east-central Alberta constituency have never elected an opposition MLA in 67 years, shifting their party support in the three province-wide election upsets.

A man is getting old when he inspects the food instead of the waitress.

Plan World Day of Prayer

Representatives from participating Drayton Valley churches met again to prepare the World Day of Prayer Service. From left to right, Mrs. Teresa Comeau from St. Anthony's, Mrs. Carol Hoyland and Scott from the United Church, Mrs. Ona McCarthy and Brent from the Baptist Church, Mrs. Ileen Smith from the Pentecostal Tabernacle and Mrs. Irving from the Church of God. Mrs. Belcher, from All

Saints', missing from picture.

It is hoped that as many ladies as possible will be in attendance for the adult service in the United Church at 8:00 p.m., Friday, March 3rd. Mrs. Agnes Larson of Mayerthorpe has pastored in Saskatoon, Paradise Valley and Tawatinaw.

Many children are anticipating their special service at 4:00 p.m. in the Baptist Church.

Although present temperature conditions do not promote weed growth, I thought a brief article on herbicides might save a rash of phone calls next June. Many purchased herbicides in 1971 but excessive rain prevented use. Perhaps you have some in storage. If so, this advice:

"Don't freeze liquid herbicides". Store at a temperature above freezing or in a heated area. If they are stored in an unheated shelter, remember to check the containers very carefully before attempting to use next spring. Watch for separation of chemical into layers and for settling out of the chemical to the bottom of the container. Should either condition exist, warm the container to room temperature and thoroughly stir to see if the chemical will return to its original state. If it does, chances are that it will be all right to use.

Beware of "salting" out if particles will not go back into solution. They would not be effective and the particles will clog sprayer nozzles.

The Agricultural Committee has been asked to again publicize the On-the-job-training program for farm workers. Producers can now train their own

farm workers and receive compensation from the federal government. The producers pay 25 per cent of the man's regular salary and Canada Manpower will pay the remaining 75 per cent during the training period.

To qualify for this program, a producer must show he is capable of training the prospective employee and of providing him with adequate housing and working conditions. Canada Manpower will interview all prospective employers and select those with the greatest training capability and those who normally employ permanent farm workers. The training period should be at least three months.

Canada Manpower will also choose the farm workers. The program is intended to train people who are presently unemployed; not to provide training for those already working nor replace permanently employed people with new trainees.

Further details and application forms are available from our offices in Stony Plain or your Canada Manpower office in Edmonton.

Nearly 12.5 million acres of Canadian farmland are used for raising wheat.

Tomahawk News

The Tomahawk Community Library held a whist drive February 19 with eight tables of players. Winners of the travelling prizes were Libby and Sadie Stevenson. Ladies' first was won by Evelyn Lukaniuk and men's by U. Wiedeman. Consolation prizes were won by Adele Stienke and Mr. Overbo. The next whist party will be March 3.

The first Library Board meeting for this year was held in the library February 22. Ten members were present to hear a report on the whist drives and the financial report. The books for the library are now supplied by the Yellowhead Regional Library with the head office in Spruce Grove. They also supply \$80.00 worth of periodicals. Officers elected were: Josephine Namchuk for president, Frances Gilbert vice-president, Hazel Overbo re-elected secretary-treasurer.

Sympathy goes to Frank Walter's family on his recent death.

Frances Gilbert, Alma Reich, Rose Parfiniuk, and Alma Schadeck took part in the ladies bonspiel at Seba Beach February 18-20. They won first in the second event.

On January 16, Ellen and Finlay Shaw flew from Edmonton to Los Angeles where they were met by Fin's brother, Bruce Shaw and his wife Jackie. They stayed with them at Pomona for 2 1/2 weeks, picking oranges in the back yard, visiting Disneyland, Knotts Berryhill Farm, the Movie Actors Wax Museum, Palm Springs, and picking dates at Shields Date Farm. They visited Hollywood, toured Universal studios, and ate at Omar's, a famous restaurant on Hollywood and Vine. After spending three

days at Los Vegas, they went 1,300 miles by bus to Bellingham and stayed at Fin's sister's home for 1 1/2 weeks. On February 15, they were driven to New Westminster and arrived in Edmonton by train February 16. Harry Holland looked after the farm while they were gone.

Constable John Gilbert and his wife Lynne are proud parents of a baby boy, who arrived February 22. His name is Robert Scott, and he is the third grandchild of Howard and Frances.

The Tomahawk Ladies Aid met at the home of Lydia Reich February 24. Six members were pre-

sent and one guest. The next meeting will be at Alma Schadeck's March 24. More plans were made about sewing and quilting the friendship quilt.

The Zutz family has sure been doing their share of travelling. Elaine flew to Hawaii, getting back February 15. While there, she talked with Jack Lord of Hawaii 5 - 0 and received a record album and autograph from Don Ho. Elaine's brother Ed was flown to Fort Simpson for two weeks and Mr. Zutz was flown to Prince Patrick Island for three weeks with Gustavson Oil Co.

1971 was a record year, with our Company writing over two billion dollars of life insurance.

Nearly twenty billion dollars of life insurance protected Sun Life policyholders at the end of 1971.

In 1972 we are maintaining current dividend scales to individual participating policyholders in North America.

This means that under our system of dividend distribution cash dividends to most policyholders will be higher in 1972 than in 1971.

We shall continue to offer the best possible service and value.

And we shall continue to recognize that good insurance service requires the understanding, knowledge and careful attention to detail of qualified people.

Regular Meeting County Council

Cont. from Page 3

Letter dated February 4th from Mr. L. St. Arnaud of Edmonton requesting that an access road be constructed to his property the NW 34-53-7-5, was presented to Council for their consideration. It was agreed that this request be referred to the Public Works Committee for inspection and recommendations.

A progress report dated Feb. 1 from the Water Resources Division concerning the Tomahawk C.K. flood control project was received by Council for information.

Letter dated February 2nd requesting improvement to the road lying west of the NW 32-53-1-5, was presented to Council for their consideration. It was agreed that no improvements be made to this road at this time due to the high cost that would be necessary to make these improvements.

Letter dated February 1st from the City of Edmonton was presented to Council requesting the County's co-operation in permitting the City to extend the Mosquito Abatement Program into the County. Council agreed to give permission to the City of Edmonton on the condition that the city accept full responsibility for any damages that may be caused from the spraying operation.

A copy of a letter written by W.F. Purdy, M.L.A., for the Stony Plain Constituency to the Board of Transport Commissioners requesting the automatic warning lights be installed at the railway crossing in Duffield, was received by Council for information.

PREVENTIVE SOCIAL SERVICES
Mrs. Waugh and delegations, representing the Town of Drayton Valley, were present and discussed with Council the feasibility of County initiating a Preventive Social Services Program incorporating all towns and villages within the boundaries of the County of Parkland No. 31.

Application forms and supporting documents with regard to opportunities for youth projects were presented to Council for information.

Four tenders for the demolition of the old Stony Plain - Lac Ste. Anne Health Unit Building were received with the tender of Adby Demolition (1970) Ltd. of Edmonton for the sum of \$1,384. accepted.

A committee consisting of Ken King, Chief Assessor; Otto Schuster, Secretary-Treasurer;

Reeve Miller and Councillor Mann was appointed to screen the applications for the positions of two assessors and arrange for interviews of applicants by Council.

RATEPAYERS MEETING

The forthcoming Annual Meeting of ratepayers will be held on Saturday, April 15th in the new Frank Maddock High School Auditorium in Drayton Valley commencing at 10:00 a.m.

Written reports of inspections made by the Public Works Committee were presented as follows:
1. West of Sec. 31 & N.W. 1/4 Sec. 30-49-7-W5th-M 1 1/2 miles -- Proposed that the road allowance be brushed and a new road constructed and gravelled at this location to connect Secondary Road 621 (Easyford road) to an oil company road 1 1/2 miles south. This would serve as a school bus route and also provide access to the SE. 1/4 Sec. 36-49-8-5 and also the S.W. 1/4 Sec. 31-49-7-5. The Committee recommends that this work be carried out in 1972 at an estimated cost of \$17,000.00.

2. West of part of the S.W. 1/4 Sec. 3-50-7-W5th-M, 1/4 mile -- Proposed that ditching and upgrading work be done on a portion of this road to improve drainage at an estimated cost of \$2,000.

3. South of S.W. 1/4 Sec. 2 and South Sec. 3-51-6-W5th-M, 1 1/2 miles -- Proposed that the existing road (S.R. 624) be re-constructed and gravelled to the secondary road standard which calls for a 32 foot road top. This road serves as the main access to Drayton Valley from the Tomahawk area and is in poor condition at the above location. Recommended cost is \$25,000.

4. South of Sec. 30-53-5-W5th-M, 1 mile -- Proposed that the road allowance be brushed and a new road constructed and gravelled at this location. This will be final extension from the east, the preceding two miles of road being constructed in 1970 and 1971, and will connect to the north south road 1 mile north of the Seba Beach interchange on Highway 16. It will serve as a school bus route paralleling Highway 16. Recommended estimate cost is \$12,000.

5. West of Sec. 24-53-7-W5th; 1 mile -- Proposed that this road be ditched, upgraded, and gravelled as it is presently in very poor condition. Estimated cost is \$4,000.

6. West of Sec. 15-53-3-W5th; 1

mile -- Proposed that this road be re-constructed and gravelled to a high standard. This is known as the Alberta Beach Road and is used a great deal by the public for access to the Lake. Estimated cost is \$12,000.

7. South of Sec. 29-52-2-5 -- Proposed that the road in intersection at this location be improved by way of backsloping and filling so that better sight distance is attained. Recommended cost is \$2,500.

8. West of part of Sec. 8-52-2-W5th; 3/4 mile -- Proposed that this road be re-constructed and gravelled on road allowance deleting the existing diversion. The present curves are very sharp, therefore, producing the road straight through would improve it greatly. Recommended estimate is \$7,000.

9. West of Sec. 8 and S.W. 1/4 Sec. 17-53-1-5; 1 1/2 miles -- Proposed that the existing road be re-constructed to a safe standard and gravelled as the hills on this road at present are very dangerous. Estimated cost is \$25,000.

10. N.W. 1/4 Sec. 19-52-1-5 -- Proposed that improvements be made to the intersection located at the N.W. corner of this quarter. This would entail defining the junction better as it presently is confusing to the motoring public when driving through at night. Estimated cost is \$2,000.

11. Road Diversion through the N.W. 1/4 Sec. 19-52-1-5 -- This road is under the jurisdiction of the Summer Village of Edmonton Beach. It requires ditching and the existing curves should be eased. As it is used a great deal by County ratepayers, the Committee felt that proposal should be made to the Summer Village to share the cost on a 50-50 basis.

Wabamun News

Mr. Slater and family have moved to the south end of the lake as Mr. Slater is working in the Calgary Power plant there now. Mr. Jones and family have moved back to Wabamun to work in the plant here.

Ray's Esso of Edmonton won the hockey tourney last weekend, with Wabamun placing second, Walnwright third, and Genesee fourth.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Don Patterson is home after a two week stay in the Royal Alexandra Hospital. Mrs. Paterson assures us she is convalescing very well after her operation.

It is doubtful if there are many Western Canadian adults who have never heard of Father Athol Murray. He is the founder of the famous Notre Dame College in Saskatchewan. Father Murray's interest in sport is as intense as his vocabulary is colourful. He has been invited, and has accepted the invitation, to speak at the Drayton Valley Sportsmen's Dinner on March 17th. People who know him well say that the recently bestowed title of "Monsieur" has not altered the reverend father's breezy style appreciably. Drayton Valley is honoured to have such a distinguished personage as a guest.

Mr. Henry Dunington is home after a two month holiday with sons, Jack and Stanley, and their families.

Glenda Matlock sent the following clipping from a Sydney, Australia, newspaper. "A friendly historian reminds us that the British Isles are made up of four nations; the Scots, who keep the Sabbath and anything else they can lay their hands on; the Welsh, who pray on their knees and on their neighbours, the Irish, who don't know what they want and are ready to fight for it; and the English, who consider themselves a race of self-made men, thus relieving the Almighty of a terrible responsibility".

Dr. Ian Waugh's many friends are pleased to hear that he is much better. He will probably be in hospital for some time yet. Dr. Waugh is a patient in the Royal Alexandra Hospital.

Fallis News

Mr. and Mrs. Peter Hardman, and Mr. and Mrs. John Schymizck will celebrate their wedding anniversaries March 3.

Belated anniversary wishes to Mr. and Mrs. Dennis Yates who celebrated their 25th wedding anniversary on January 29. A supper was held in their honor by the family, with guests being Betty McDonald and her grandson Jack Koflick. The whole family attended the supper, including the oldest son David, along with Margaret and Holly from Grande Cache.

The 40th wedding anniversary of Dalus and Mary Peters was held February 6 at Darwell Hall. A buffet lunch was provided, with entertainment by singers and guitarists and Highland dancing by their granddaughter.

Mr. and Mrs. Norris Bamber visited their mother, the Ray Bammers, and the Jim Orchestons after returning from an Hawaiian holiday. Mr. and Mrs. Jack Cook of Edmonton visited their mother, Mrs. Noble, after returning from a three-week holiday in Honolulu.

The Community Association held its annual meeting with election of new officers: President, Hank Wilkie; Vice-President, Jim Orchison; secretary-treasurer Charlotte Winters; social convenor Joyce Wilkie and Joy Nay. Directors are: Frank Schymizck, Councillor George Mann, Phillip Cunnings, and Robert Wilkie. Meetings are held on the first Monday of every month in the Fallis Community Hall.

Bingo will be held in the Fallis Community Hall March 3 at 8:00 with two jackpots to be won.

Mrs. George Mann received word from her son Alex in N. Africa, where the crew he is with will soon be moving on to the North Sea.

Mrs. Fell reports that she is looking forward to seeing her relations from Ireland this August.

Born: to Mr. and Mrs. Norman McKinlay Jr. of Kamloops, B. C., on February 26th, a daughter, Sandra Margaret. This is a first grandchild for Mr. and Mrs. Norman (Mac) McKinlay, of Drayton Valley. Welcome to the club, Mr. and Mrs. McKinlay.

Miss Margaret MacKenzie is in University Hospital for an indefinite stay. Miss MacKenzie is able to have company and will be pleased to see any friends who are able to come.

Mrs. Helmer Johanson writes that winter in Lumby, B. C. has been unusually severe with overburdened roofs and frozen gas lines.

Thank you and a tip of the fez to Messrs. Betton, Smeland and McCarthy who took grade six pupils to Edmonton for a performance by the Edmonton Youth Orchestra on Sunday. Mr. Harmon Swap was the bus driver.

Mrs. Ted Boodle, Ted and Robbie, are spending a few days with Mrs. Anne Look before returning to their home in the North. Mr. Boodle, an employee with the Federal Government, is deeply concerned with conservation of animals and bird life in the far north and finds the recent oil strike on Ellesmere Island disturbing.

Wildwood News

On February 17, Mr. Barney McNalley, representing the Edmonton E.M.O., showed a film at the Wildwood School to the local E.M.O. representatives. The film entitled "A Lady Called Camille" showed the effects of a hurricane which brought disaster to parts of the coastal area of the Gulf of Mexico. All who saw the film agreed that more people should be aware of the dangers of such natural outcomes.

The last session of Kitchen Chatter was on February 18 at 1:00 p.m. Economic buying was the topic, while Mrs. McDavid treated the ladies to "Flamed Bananas".

Don't forget the Agriculture Society meeting at 8:30 p.m. March 8 in the Wildwood school.

Mrs. Hutchenson left last week on a trip to Scotland, while Mrs. Nick Kastluk left February 21 by bus for Vancouver.

On February 17, the Elks held their annual meeting in the Wildwood Hall with most of the evening spent in arranging for the Klondike Days March 3 and 4 in the Wildwood Hall.

Get well wishes to Mrs. Vick-

strom, Mrs. Violet Limishka, Mrs. Mary Myschuk, and Gus Herman, who are all in Edmonton hospitals.

An air force helicopter landed in the school yard to refuel February 19 as it had been on manoeuvres in B.C. from Namao Air Base. RCMP were phoned and they contacted the air force fuel truck near Hinton. Captain P. Armstrong of Sudbury, Capt. A. Waldraim of Toronto, Corp. R. Leeworthy of Trenton, and Corp. D. Zalinko of Surrey, all of 408 Tactical Squadron Namao, had a supper at Maurice Beauchamp's while waiting for the

fuel truck.

Wilford Kratky was a weekend visitor from Grande Cache of E. Winfield's. Mrs. Andy Anderson and Doreen Beauchamp returned east Sunday after ten days in Winnipeg.

The Wildwood Feed Mill has installed a hammer mill and grain rollers.

Ticket sales of the Students Union Bingo Wednesday had the following winners: first, R. Nixon of Drayton Valley; second, Mary Kichon of Wildwood; and third, W. Sparks of Wildwood. Proceeds go toward the student yearbook.

Gainford News

The Elks will sponsor a St. Patrick's dance in the Gainford Hall, March 17. The Queen Contest is the highlight with tickets available at the door and a lunch to be served.

Mr. and Mrs. W. Panchuk spent six weeks with Dr. and Mrs. Eritsland and family of Seattle, Washington. Mr. Panchuk was called home to supervise a winter works project at Pigeon Lake, so they returned home sooner than expected.

The John Dzus family are entertaining the Allen Olson's and their two girls from Valemont, B.C.

Ed Rozgo returned from Norman Wells, where he has been for some time.

Mrs. Helen Ursel has returned from a trip to Los Angeles, California, where she visited with her sister. She enjoyed a trip through Disneyland, a guided tour of Beverly Hills and temperatures of 78 above.

Mrs. Shirley McEachern and children from the Wye district, east of Edmonton, spent Sunday with her parents in Gainford. Gerald is still in the far north.

Mrs. Helen Rozgo is home from hospital. Jim Millar is now on the sick list. Get well to both.

J. Hauser took a hockey team of boys to Evansburg, February 19. Unfortunately, they lost the game but report having a good time.

Bible study will be held each Tuesday in Gainford, led by Mr. Cowfe. Contact Janet at 797-3033 for information.

Unique P.C. Nominations To Close in Drayton Valley

A unique Progress Conservative nomination convention will begin soon in the Rocky Mountain House constituency.

According to Lian O'Brien, National Director of the P.C. party of Canada, the manner in which the federal Progressive Conservative Association of Rocky Mountain House is conducting the nomination of its candidate is not only unusual, it is unique.

The Rocky Mountain candidate will be chosen through a series of 10 meetings throughout the constituency, beginning March 6 at Blairmore and ending in Drayton Valley March 18th.

Nominations closed February 23rd, with three candidates in the running -- Doug Caston of Edson, Joe Clarke of Edson, and Hugh Gourlay of Banff.

This method of nominating the P.C. candidate to contend the next federal election will involve the candidates, the District Returning Officer and his deputy, and a locked ballot box travelling to all 10 centres over a 13 day period. The count of the ballots will take place following the voting in Drayton Valley and the winner

will be announced at that time. Drayton Valley area Vice-President, Mrs. Marilyn MacLean and area directors are busy planning the final meeting to be held in the new Frank Maddock High School at 8:00 p.m.

Several prominent Conservatives, both federal and provincial are expected to attend. Entertainment will also be provided. Admission to the nomination meeting will be by 1972 membership in the association. The membership cards are available for \$2.00 from Drayton Valley area executive, the candidates, or may be purchased at the door.

Conservatives from areas surrounding Drayton Valley and within the federal constituency are invited to join with the Drayton Valley group. Residents of Lodgepole, Cynthia, Wildwood, Evansburg, Entwistle, and those living between Drayton Valley and these places compose the Drayton Valley area.

Buck Creek News

Mr. and Mrs. Stan Safronovich and children spent Sunday at Wetaskiwin, at a family gathering and dinner to help Maureen's Dad Mr. Holtner celebrate his 80th birthday.

There was a good crowd at the Teen Club dance, Mrs. Mailen and Mrs. Eliuk chaperoned.

Winners of the last card party were - Gents High, Bud Hughes; Gents Low, Lloyd Maine; and Ladies High, Olga Wasser; Ladies Low, Mrs. Prefontaine. The next one will be on March 5th.

Charity Auction

The fourth annual Auctioneers' Charity Week was held February 7 - 12, but Sekura's Auction Mart of Drayton Valley will be holding their charity auction on March 8 in the afternoon.

The purpose of the sale is to raise money solely for the mentally retarded children of Alberta. Supported by more than 300 auctioneers, the Charity Week is in its fourth year, having raised a total of \$140,000 for the handicapped children.

Every penny of the Charity Auction goes to the handicapped fund, so Sekura Auctions asks your support in this worthwhile venture.

Club Members to Design Posters

The Tomahawk 4-H Beef Club held its monthly meeting at the home of Emil Jouan with Nobles co-hosting the meeting.

Each club member is asked to design a poster for the "promotion of 4-H". The best will be sent to be compared with other 4-H clubs.

Remember the date March 3rd for the big bingo game.

The MacDonald families have been having their bout with colds and the flu, Tony has been spending a few days in hospital recovering from it.

Mr. Al Bara returned home from Fort St. John on Thursday where he has been the past two weeks.

Glad to report Agnes Regenwetter has had the cast removed from her arm and that it has healed well.

Winnie Clark returned from Calgary, on Tuesday where she has spent the past two weeks visiting friends and relatives.

Mr. and Mrs. Bill Roos spent Monday in Edmonton for a Doctor's appointment and visiting Evelyn's Aunt Mrs. Beckett.

The Whittakers had sad news to-day, a phone call from Peterborough, saying her brother had passed away.

Lions Collect Used Glasses

Imagine a destitute boy or girl with poor eyesight suddenly being able to see things clearly again. Such a service is provided by Lions International, which has, as a major program, collection of old eyeglasses to assist the blind or poorly sighted.

The glasses are collected for CNIB and forwarded to central depots where they are inspected by qualified technicians and filed according to formula.

Thousands of lenses, frames, and parts of frames are collected and sent to areas of the world where the average person's income is so low that glasses are a pure luxury.

Doctors there select glasses from those that have been collected, matching up lenses and frames to provide adequate pairs of glasses to many people.

The local Drayton Valley Lions Club is now collecting a shipment and would appreciate donations of glasses and parts. They may be turned in at McKenzie's Men's Wear or can be collected by a Lion member.

SPORTSMEN'S DINNER

FRIDAY, MARCH 17

ANNOUNCING

4 of the All-Canadian Head Table Guests

Mons. Athol Murray

-- Founder and Rector of Notre Dame College in Wilcox, Saskatchewan. Father Murray at 81 years of age has been working with youth in education and athletics for over fifty years. Born in Toronto in 1891, Athol Murray was ordained to the priesthood and came to Wilcox around 1920 where he founded Notre Dame a year or so later. From very modest beginnings Notre Dame has become one of the prominent institutes of learning in Western Canada. Like its American counterpart, Notre Dame, in South Bend, Indiana, Notre Dame in Wilcox has turned out some top athletes who went on and made a name for themselves in professional sports - particularly in hockey and football. Father Athol Murray is a legend in his own time.

John Atamian

-- Offensive Guard for the Calgary Stampeders, 6'0", 235 lbs. Notre Dame University, South Bend, Indiana. Born in Ontario, John has played in the CFL with Toronto, Saskatchewan and Winnipeg before joining the Stamps this season. A good, quick blocker, he was an All-Star in 1968 with Saskatchewan.

Ron Hayter

-- Alderman for the City of Edmonton; past president of the Alberta Amateur Baseball Association; vice-president of Canadian Federation of Amateur Baseball and served on board of Directors on same federation for past two years. He was a top flight intermediate baseball player for several years, playing in and around Edmonton, and has been in the newspaper business most of his life as a reporter for the Edmonton Journal and also as a free lance reporter. Presently in advertising and promotional business of his own and as such is always close to the passing sports parade. Apprenticed in journalism under Ma Murray in Lillooet, B.C., he is presently living in Edmonton and doing an effective job on City Council.

Jim Young

-- Running Back with the B.C. Lions, 6'0", 205 lbs. Queen's U. A former Minnesota Viking, now in his 5th year with Lions. He was named most valuable Canadian in CFL last season -- rushed 30 times for a 5.7 yard average and one T.D., caught 54 passes for a 19.3 yard average and 6 T.Ds. Played in the 1970 All-Star Game.

Rocky Mountain Eye Opener

The man for the job

Joe Clark is seeking the Progressive Conservative nomination in Rocky Mountain federal riding.

People who have met all the candidates say he is the right man for the riding ... the only candidate whose entire career, in politics, government, and journalism, has been training for the job he is now seeking.

Joe Clark was born in High River in 1939. He is as young as the present Liberal Member of Parliament. He went to the University of Alberta, to study and later teach political science and Canadian government. Since then he has been a journalist and broadcaster, writing about Western Canada for the daily newspapers and the CBC.

He has taken an active part in federal and provincial politics since the first Diefenbaker election, in 1957. Joe was himself a candidate in the 1967 provincial election, and came remarkably close to defeating the former Speaker of the Legislature, Arthur Dixon, in Calgary South.

Joe has served as Director of Provincial Organization for Peter Lougheed, and Special Assistant to the Honourable Davie Fulton. From 1967 to 1970, Joe Clark was Executive Assistant to Robert Stanfield. He has held several executive positions in the federal and provincial party, and was principal organizer of national policy conferences on Canadian goals and national priorities. Joe was given all these jobs because he could get things done. His record in both national and provincial party organizations is that of a doer.

He is also known as a thinker ... as a man who is urging new policies for the 1970's, for the survival of small towns and rural communities, for the quality of life in Western Canada, and for the development of new markets on the Pacific Rim.

During this apprenticeship, Joe has made it his business to learn about Western Alberta and its needs, to learn how to get things done in Ottawa, and to ask questions.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

From Mrs. Day's grade 3 class come these compositions. The children were to write about a mystery box that they had found. I hope you enjoy them.

THE TREASURE

When my dad told me to measure the floor, I found a treasure. I opened the box and it was full of goodies. I shut the box and took it out side. But there was a note. It said this. These goodies are poisoned. And then died.

- By Curtis.

THE WORMY BOX

One day I was walking in the woods. I found a box. I was curious. I just had to open it. So I did. Do you know what was in it? Worms were in it. They went on

the trees. I was afraid they might be a fisherman's worms. So I went home in a hurry.

- By Debbie

We welcome to our staff Miss Paulette Peck who is taking over Miss Lesley Batten's grade one classroom. Miss Batten has resigned due to ill health. And more about Miss Peck in a later column.

Next week is Education Week. The staff in the school is holding Open House for three days Monday, Tuesday and Wednesday. Please feel free to walk into your child's class at any time and observe the proceedings. You will be getting more information about this later this week.

From Miss Stewart's grade 5 room Science test comes this boner. -- "Give a good example of a food chain." Answer, "IGA".

And from Mrs. Letweniuk's grade 6 class -- The antonym of "united" is "Catholic".

Warriors in Zone Play-off

As a result of the Regional basketball playoffs held in Drayton Valley February 25 and 26, the Drayton Frank Maddock senior boys team will be playing in the zone playoffs March 3 and 4. Warriors met the Evansburg team Friday night in a 63 - 52 game, with Barry Swap of Drayton Valley scoring 34 points. Edson faced the Warriors on the court Saturday, and again the Drayton Valley team won with a score of 58 - 39. Gerald Dusterhoft made 20 points during the game. According to coach Dennis Palmer,

the team played as a whole, and, as a result, took the Regional trophy for their second year. Warriorettes also had a win Friday night when they defeated Evansburg 44 - 23. Top scorers were Charlene Wilkes, 10 points; Anna Kaarsemaker, 8 points; and Cheryl Daviduk, 7 points. Saturday, the girls lost the Regional Championships to Hinton in a close-checking game with a 25 - 21 score. Anna Kaarsemaker led the girls with 8 points, followed by Charlene Wilkes with 6 points.

Rebels Cinch First Place

By DOUG BARNES

Last weekend the Rebels travelled to Fort Saskatchewan and made sure of first place by tying the Huskies Saturday night 2 - 2 and downing them 5 - 2 on Sunday. Both were good hockey games which the scores indicate. I heard somebody say awhile ago that Fort Saskatchewan was having problems getting a team together -- if this was true everybody should have this kind of trouble. They were really up for the Rebels last weekend. Dan Davie led the Rebels to

their win on Sunday with two goals and one assist. Dan Davie and Terry McGowan played great hockey on defense in both weekend games. Saturday night's game was tied up 1 - 1 after the first period. The Rebels then went ahead at 14:41 of the second on a goal by Jim Feeney. The Huskies tied it up at 18:57 and sent the game into overtime. But neither team could score.

Sunday's game was another good one. No scoring in the first period. Tied up 1 - 1 after the second period. Fort Saskatchewan went ahead at 5:27 of the third period. Jim Jeeney tied it up at 6:45. Then Dan Davie scored the winner at 10:03 and scored the insurance goal at 18:25. Henry Hodgson finished the scoring at 19:18.

As good hockey will often do, the weekend took its toll in injuries. Roggeveen pulled a muscle in his back, Jerry Wilkes twisted a knee, Henry Hodgson a knee injury. Dan Davie and Terry McGowan had lots of ice time. Terry Day, the fourth defenseman, could not make the road trip because he had to work. That meant the Rebels only had three defensemen. Then Roggeveen got his back injured Sunday.

The Rebels put everything together this weekend and played like a first place team should play. The last league game will be played Tuesday night against the Fort Saskatchewan Huskies at Drayton Valley.

The Rebels also picked up a win last Thursday night at Westlock downing the Eagles 9 - 2. Henry Hodgson led the Rebels with 4 goals.

March 4th the Rebels travel to Wetaskiwin to play the first game of a two-game total point provincial B playoff.

Entwistle News

The Elks Whist Drive February 17 had six tables of players, with Lil Hanson winning ladies' high, Muriel Johnson ladies' low, and Mrs. Fleeder ladies' consolation. Gordon McKenzie won men's high, Hubert Forecast men's low, and Leo Sarotsky men's consolation. Mrs. Fleeder won the door prize.

Mrs. Dawson Smith and Mrs. O. McWilles had a visit with their brother and family of Heinsburg, Alberta.

Mr. and Mrs. Jay Sumner of Footner, Alberta spent the weekend with the Osterlagers.

The Entwistle Fire Department's Open Mixed Bonspiel on February 19th and 20th has 20 teams from Wildwood, Evansburg, Tomahawk, Drayton Valley, Edmonton and Entwistle competing.

A banquet was served to introduce guests with Bill Wickware as guest speaker.

David Oliver was commended for his efforts with the 'spiel as well as all those who helped. Grand Challenge winners were

the Nikolyuk rink of Wildwood, Bain rink of Edmonton, Robinson rink of Edmonton, and the N. Hanson rink of Entwistle. Second event winners were all Entwistle rinks of Gord Campbell's, Ruth Messenger's, R. Reilling's, and Gilbert's. Bill Wickware rink of Tomahawk was first in the third event, with Luedthe rink of Entwistle second, Sinclairi rink of Entwistle third, and Adashynski rink of Entwistle fourth.

Total net income of Canada's farmers from farm operations during 1970 dropped more than 45 percent from the previous year.

Among members receiving safe driving awards were Gordon Haukedal, Stan Melin and Gerry Nelson of Drayton Valley area, at the Hudson Bay Oil and Gas Company banquet in Edson recently. From left to right, Hank Skrypnik, Gordon Haukedal, Elton Malmo, Stan Melin, Bob Young, Gerry Nelson, Gerry Stroud and Lyle Manning. R. L. Levesque, at extreme right, presented the awards.

Area Men Win Safety Awards

Safe driving awards for accident-free miles from 25,000 - 550,000 were presented at the annual Hudson's Bay Oil and Gas safety banquet in Edson on February 11th.

Gordon Haukedal, Stan Miller, and Gerry Nelson of the Drayton Valley area were among the men receiving awards.

Awards were presented by Mr. R.L. Levesque, with Stan Melin receiving a 300,000-mile award; Gordon Haukedal, 350,000 miles;

and Gerry Nelson, 550,000 miles.

Hudson's Bay Oil and Gas president D.C. Jones of Calgary was guest speaker. He spoke on the future of the company in such areas as Labrador, Saskatchewan and off the north coast of Canada.

LIBRARY NEWS

Note to the lady with only one glove--a black winter glove, almost new, was found outside the east door of the town hall and is now in the library.

"The Assassin" by Evelyn Anthony is so filled with suspense that you will be reluctant to put it down before finishing it. Elizabeth Cameron had agreed to help her uncle, a respected politician, get Bruno Keller into the United States. Not until it was too late did Elizabeth find out that Keller was a professional killer.

John Nichols, author of "The Sterile Cuckoo", has given "The Wizard of Loneliness" a small-town setting. Young Wendall Oler is motherless, his father is in the Marines, and Oler has been sent to live with his grandpar-

ents. This does not appeal to him but before he can acquire the money to get away he has a change of heart and becomes deeply involved in the lives of the other residents of the small Vermont town.

"The Minister" by Charles Mercer, as the name implies, is the story of a minister and his family. The tribulations of living on a minister's salary, the bigotry of influential parishioners, the petty jealousies, the meagre rewards, all woven into a tale of everyday living.

"Tunc", meaning "next, then, or next in succession" in Latin is Lawrence Durrell's first book since "Clea" was published in 1960. It is set in Athens, Istanbul, and London and abounds in exotic characters.

"The Birdcage" by John Bowen is not new, having been published in 1962. It is the story of Norah Palmer and Peter Ash who have lived together in London for nine years, and were, when the story opened, on holiday in Venice.

SUMMARY

Sales of cattle and calves were down approximately 600 head this week. Offerings continue to be about 75% replacement classes. Trade was active with all classes selling on a firm to higher basis. Butcher steers and heifers were 50 higher. Good and medium butcher cows 50 - 1.00 higher. Bulls steady, veal firm. Replacement prices strong to 50 higher for top quality heavier feeder steers.

SLAUGHTER CATTLE AND CALVES

There was a good demand throughout the week for the limited offering of top quality slaughter steers and heifers. Choice

butcher steers sold higher with very little discounts on heavier weights. There were sales to 34.80 at mid-week and in closing trade for choice steers. Butcher heifers were also 50 higher with the odd fancy heifer selling over 32.50. Butcher cows opened on a firm basis and sold higher for the week. Good butcher cows closed at a practical top of 23.50. Lower grades sold fully steady to firm. Bulls were not so plentiful selling at steady prices. Veal steady with a few light fancy vealers topping 50.00.

REPLACEMENT CATTLE AND CALVES

All classes were in short supply making for a good active trade. Stock calves sold fully steady for the week with a few light weights over 50.00. Heavier feeder steers 750 lbs. and up saw the most action at prices 50 higher.

SHIPMENTS

Last week's shipments of cattle and calves off the Edmonton Public Stock yards were: East - 192 feeders. Export - 23 slaughter bulls. Feeder shipments to other than local areas - 2,306 cattle and calves to central and southern Alberta areas. Through-billed stock calves from B.C. to Ontario - 307.

Evansburg News

In the mid-winter examinations of the Royal Conservatory of Music held recently in Edmonton, the following pupils of Mrs. Elizabeth Tkachyk in Evansburg

were successful: Marilyn Oshvalda, Grade VI Honors; Ruth Tkachyk, Grade IV First Class Honors; Sigrun Herchen, Grade II Honors; Mrs. Lore Herchen, Grade I Rudiments First Class Honors; Harold Herchen, Preliminary Rudiments First Class Honors.

served in many capacities in the executive. She has also served as president and secretary-treasurer for the United Church Women.

The community was saddened to hear of the death of Mr. Otto Wolff, an old time resident and businessman here.

Reno News

Mr. Pilgrim is a patient in the Drayton Valley Hospital.

Sympathy is extended to Mrs. Judy Ankow on the accidental death of her 81-year-old grandmother, Mrs. Mative, in Edmonton recently.

Joan Yasinchuk flew in from Prince George, February 12 and is staying with her grandparents for two weeks.

Mr. John Tudge has returned from a visit with his daughter and family in Valemont, B. C. but Mrs. Tudge decided to remain there awhile longer. Seems her health has improved greatly since her stay there. When Mr. Tudge was in Valemont he spoke to Mrs. Louise Olsen and husband, Vic, formerly of Gainford. Mrs. Olsen was quite crippled with rheumatism and unable to work when she lived in Gainford, but now she says she's feeling well, has gained weight and is now working at the lodge hotel.

Visitors at the Court home February 13th included daughter, Diana; Mr. and Mrs. Stan Jawaszko; Tom Seco; Mr. and Mrs. Dewey, Drewes and family; all of Edmonton.

Paul Yakimchuk is now working in Swan Hills.

Visitors in Evansburg this past week were Cpl. and Mrs. John Sebastian of Cold Lake; Mr. and Mrs. Morris Manz of Bashaw; Mrs. Ed Hoffman and Randy of Dawson Creek; and Mrs. R. Hoffman of Sherwood Park.

Mr. and Mrs. Tom Mitchell have just returned from a trip to Mexico.

The community welcomes the new business of Kuhn's Plumbing and Heating.

Several ladies gathered at the home of Mrs. Annie Graham to celebrate her 70th birthday. Annie was born in Upper Salasia, Germany and received her education and musical training there. She studied to be a commercial artist, and, with her sister, played violin in the Philharmonic. Her father came to Canada in 1914, but the women didn't make it until 1922 when they joined him in Evansburg. Annie has been a widow since 1945, and has raised two children. She now has four grandchildren and looks after her 90-year-old mother. She has been very active in the community, is a charter life member of the Legion Ladies Auxiliary and has

Challengers Start Provincial Finals

On Wednesday, February 23rd, the Burrows Motors Challengers travelled to Edson where they played the first game of the Provincial Zone Playoffs in the Bantam B Division against Edson's Marr Shell Oilers. The Challengers outshot Edson 42 - 10 and won the game by a score of 12 - 3. Many local fans accompanied the Challengers to Edson. Shimbashi got 3 of the goals, while Hook and Wilson each, scored 2. Singles went to Lukaniuk, Swendseid, Pankewicz, Koebernick, and Case.

On Sunday, February 27th the Challengers took to the ice at the Civic Centre against Strathcona Athletic Association. The Challengers were outshot 40 - 37 but won the contest by an 11 - 2 margin. Hook led the Challengers scoring with 4 goals, Novosel added 2, and singles went to Wilson,

Shimbashi, Swendseid, Pankewicz, and Koebernick. McRae turned in an outstanding performance in goal by making many key saves, particularly in the second period.

The Challengers see a 1 again on Tuesday, February 29th when they travel to Westlock to play the second round of the Provincial Zone Playoffs. This will be a two-game total point, home and home series, with the second game scheduled to be played in Drayton Valley, on Saturday, March 4th at 8:00 p.m.

MAINTENANCE WORKSHOP

About 100 maintenance supervisors and foremen from Alberta school systems will attend a school maintenance workshop to be held at the Capri Motor Hotel in Red Deer the first three days of March. The workshop is being sponsored by the Alberta Department of Education's School Buildings Branch.

Keynote speaker at the function will be Dr. E. Hawkesworth, Deputy Minister of Education for the Province. Another main guest speaker will be Harold Gunderson, President of the Alberta School Trustees' Association.

Pertinent addresses will be given on budgeting and budget control, communications, building problems, boiler problems, and the problem of vandalism.

This will be the province's second annual such workshop. An added feature this year will be a series of displays and demonstrations of products relevant to school maintenance.

STONY PLAIN JUNIOR HIGH SCHOOL OFFICIAL OPENING

The official opening of the Stony Plain Junior High School will be held March 15, 1972.

The school was built at a cost of \$552,944.68 by Briden Construction Co. Ltd. of Edmonton, Alberta. Architect for the project was Mr. D. Pinckston.

More information on the official opening will follow.

Timetable for Grade IX Examinations - March 15, 16 and 17, 1972 as follows: Wednesday, March 15, Social Studies, 9:00 - 10:30 a.m.; and Science 1:00 - 2:30 p.m.

Thursday, March 16, Language Arts, 9:00 - 10:30 a.m.; and Reading 1:00 - 2:30 p.m.

Friday, March 17, Mathematics, 9:00 - 10:30 a.m.; and Ability, 1:00 - 2:30 p.m.

TEACHERS TO HAVE MORE SAY IN GRADE 12 FINAL MARKS

After this school year, Alberta teachers will have a greater say in determining the final marks of Grade 12 students.

The Alberta Department of Education has announced that effective in June this year, departmental examinations will form the basis for half of the student's mark in all matriculation subjects, with the other half being determined by the school.

This is already the practice in all subjects but physics, chemistry and mathematics, in which final marks have been awarded solely on the results of departmental examinations.

Education Minister Lou Hyndman had earlier commented that the body of opinion on departmental exams is not unanimous. They are considered by many to be an objective measure of achievement and their use avoids the possibility of bias due to unsatisfactory student-teacher relationships throughout the year. The exams also provide some degree of quality control and are useful for research purposes.

However, Mr. Hyndman said, the value of externally prepared exams is increasingly being questioned as teachers become better educated and more qualified, a trend that increases each year in Alberta. And in today's classroom, the emphasis is changing to learning skills and acquiring abilities that are not easily evaluated by the single, year-end, departmental exam.

WORK EXPERIENCE SUCCESSFUL

The County schools have twelve high school students out on a Work Experience Program in local businesses and public offices.

According to Dr. J. D. Harder, Head of Industrial Education for the Department of Education, "The most relevant preparation

for the work-a-day world is for young people to actually become employed. Students see more relevance to their school studies when they have the opportunity to apply them in an actual job situation".

Under the Work Experience concept, students spend periods of regular school time in such fields as hospital work, welding, heavy equipment servicing, merchandising, and machine shop trades.

Two courses, Work Experience 15 and 25, carry five credits each and can be taken in one or two years. Any employment situation qualifies as long as it meets department regulations. The regulations require that

there be a work station for the student, an employer, supervision by the school, parental approval for students under 18 years of age, protection against injury and compensation in case of accident.

The program, now in its second year, includes more than 2,000 students in over 40 high schools throughout the province. "It has proved popular with the working community as well," reports Dr. Harder. "Many students are offered permanent jobs upon graduation".

LOCAL INITIATIVES PROGRAM APPROVED

Word was received last week that one of the County of Parkland's applications for support under the Local Initiatives Program was approved. A sum exceeding \$12,000.00 was approved to conduct a complete inventory of the textbooks, supplies, and equipment in the school system. In addition, a coding system and a cumulative inventory system will be implemented. A study of effective inventory systems is underway.
